

Narrating the 57th Year of St. Joseph's College

Volume 11

Collegeville, Indiana, Saturday, November 15, 1947

Number 2

Leading the Grand March at the Homecoming Dance are l. to r., Pete Berghoff, Bob Taugher, Mary Jane Kowalczyk, Jim Buckley, Catherine Silich, Joe Pavletich, Alfreda Sorsensen and Jerry McCarthy.

Philosophy Chairman Elected President Of State Group

The Rev. Edwin G. Kaiser, chairman of the department of philosophy and religion, was elected president of the Indiana Philosophical Association at the fall meeting held at Butler University, Oct. 25. He succeeds Mr. Henry Veatch, professor in the philosophy department at Indiana University. Father Kaiser has been an active member of the association since 1944.

Fathers Maziarz, Siebeneck, Birkley, and Rueve also attended the conference. Father Maziarz, who was vice president of the junior group for the school year 1946-47, was succeeded by Dr. Gordon Clark of Butler University.

Attending the junior division meetings as student representatives were Bill McCaslin of Indianapolis, Ind., and Joe Collier of Tucson, Ariz.

The spring meeting has been designated for St. Mary-of-the-Woods, Terre Haute, Ind.

This association was formed in 1931, with its objective to further philosophical knowledge in the pursuit of truth. A fine example of the carrying out of this objective was embodied in an address delivered to the junior group by Mr. Stineman of St. Meinrad's Seminary, entitled "The Criterion of Truth."

From the student's viewpoint, the most important and interesting aspects of the meeting were the discussions from the floor and the personal contacts with persons who differed in philosophical training.

Congratulations

To Mr. and Mrs. Bob Reilly on the birth of Linda Gene, Oct. 12.

To Mr. and Mrs. Art Barrientos on the birth of Paul Arthur, Oct. 31.

Both young fathers are ex-G. I. students at St. Joseph's.

"Atomic Homecoming" Proves To Be Apt Slogan for 1947

The Homecoming celebration was set off with the lighting of the annual bonfire and pep rally on Friday night and continued through Saturday, when the Pumas played one of their best games of the year by tying undefeated Louisville, 7-7.

The dance, that night, was a huge success and was enjoyed by everyone, including the many alumni who were present. The Student Council, the Columbian Players, and the Albertus Magnus Society are to be complimented on the way they transformed the gym into the beautiful spectacle that it was. Gene Hunt and his band provided excellent music for everyone, including the jitterbugs.

During the week before the dance, the men of St. Joseph's were busy, cleaning and decorating their individual rooms for those local heart-beats who are seen on the campus at very infrequent intervals. Noll Hall won first prize for the best decorated hall, and they well deserved it for the work they did on the ingenious spider web and the other decorations inside and outside of the hall. Hugh Rossi of Middletown, O., is to be individually commended for his diligent labor.

"Atomic Homecoming" proved to be an apt slogan. It was one of the best that St. Joseph's has ever seen.

Brother John III

The prayers of the students are being offered for the speedy recovery of Brother John Marling, instructor in mathematics and physics, who is a patient in Kneipp Sanitarium, Rome City, Ind.

Contact Mr. Clausen About Check Delays

Any veteran who has not received his subsistence check by November 19, 1947, and who does not know the reason for such delay, should report to the Veterans Administration Officer, Mr. A. D. Clausen on Thursday, November 20th. Mr. Clausen can be contacted every Thursday afternoon from 1 p. m. to 3 p. m. in the Reception Parlor of the Administration Building. (Rev.) C. G. Kern, C.P.P.S. Director of Veterans Affairs

Mystery Play To Be Enacted Nov. 23, 24

After devoting three days to try-outs, the Rev. Lawrence Heiman, moderator of the campus dramatics society, the Columbian Players, has announced a tentative cast of characters for the group's forthcoming production, MR. and MRS. NORTH, and has begun initial practices.

Father Heiman hopes to have the program ready for production towards the end of this month. The two dates set for presentation are November 23, Sunday, and November 24, Monday.

To date, most of the practices have been devoted to the blocking the characters' positions on stage, and in general making each member of the cast familiar with the requirements of the play.

MR. & MRS. NORTH is a mystery-comedy in three acts, written by Owen Davis as an adaptation of the North stories by Frances and Richard Lockridge. A glance at the tentative cast shows evidence of the fact that the Columbian Players are promising St. Joseph's student body an evening of entirely wholesome entertainment. It is as follows:

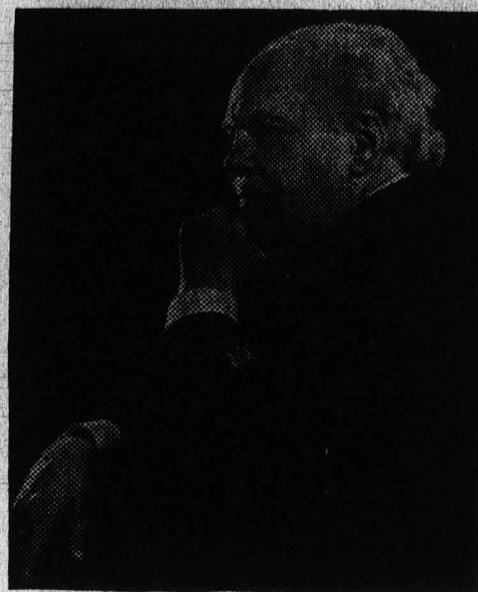

Mr. North.....	Donald Horst
Mrs. North.....	Mrs. Gloria Rasak
Baono.....	Frederick Frisk
Glaire Brent.....	Mrs. Gloria Lesch
Louis Berex.....	Charles Riche
Jane Wilson.....	Mrs. Helen Butz
Ben Wilson.....	Andrew Davey
Clinton Edwards.....	Clarence Burwell
Lieutenant Weigand.....	William McDonald
Mullins.....	Bernard Whaley
Jenkins.....	Walter Johnson
Fuller Brush Man.....	Lambert Zulkowski
O'Malley.....	Patrick Maloney
Barnes.....	John Bican
Gordon.....	John Laughlin
Cooper.....	Eugene Ackerman
Medical Examiner.....	Charles Burkart

Students who attended St. Joseph's last year will notice in this cast the names of some of the male characters who contributed to the success of the Columbian Players' productions last season, TEN LITTLE INDIANS and THE MISER.

Mr. Charles Burkart, president of the Columbian Players, and himself a member of the cast, is in charge of the designing and building of necessary scenery.

Noted Conductor Presents Concert This Evening

Bohumir Kryl Leads All-Girl Orchestra

The Bohumir Kryl All-Girl symphony orchestra will appear in the college auditorium, Saturday, Nov. 15, at 8:00 p. m. This is the second performance on the Speckbaugh Memorial Theatre Series. The program listing his selections is not available for print at this time.

The history of Bohumir Kryl's symphony orchestra is an instant claim to universal recognition on the North American Continent. His group is starting its 43rd year in making tours of leading colleges and universities. Mr. Kryl on his concert tours has traveled 1,600,000 miles, he has given over 17,000 concerts, and has appeared before at least one hundred leading educational institutions annually.

Kryl has been called by celebrated critics one of the most magnetic and forceful orchestra leaders in the country. Kryl is himself a renowned musician, being a violinist and a virtuoso cornetist. This latter talent was discovered in his youth by John Phillip Sousa, who engaged him for his band as cornet soloist, when he was nineteen years old.

Condolence

In the name of the faculty and students of St. Joseph's, STUFF extends sympathy to Sister Mary Clarence upon the death of her mother.

The Very Rev. H. G. Kramer Elected Moderator of Society

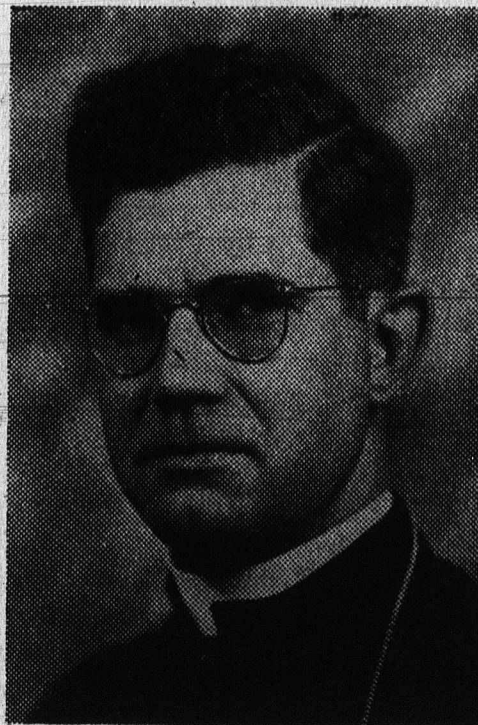

The Sixth General Chapter of the Society of the Precious Blood, held in Rome, Oct. 6-9, elected the Very Rev. Herbert G. Kramer, Moderator General of the Society. He is the first American to hold this office.

Father Kramer is a native of St. Henry, Ohio, and is 40 years old. He began his studies for the priesthood at St. Mary's Preparatory Seminary, Burkettsville, Ohio, and transferred to Collegeville in September, 1925, where he completed his freshman and sophomore years of college work before entering St. Charles Seminary, Carthage, Ohio. Following his ordination on May 14, 1933, he attended Catholic University of America where he earned his doctorate in theology. For ten years he was professor at St. Charles Seminary, until his election to the office of Secretary of the Province in 1945. He was reelected to this position in the Provincial Chapter of the Society, held last July, and at the same time was chosen as one of the American delegates to the General Chapter in Rome.

The new General is now in this country, but will return to the Eternal City in February, to take up his residence at the General Motherhouse. He will govern the

members of the Society in the United States, Brazil, Chile, Germany, Italy, Austria, Switzerland, Spain and Portugal for the next 12 years.

Two other members of the American Province, and former students at St. Joseph's, the Revs. Andrew Pollack and Robert Neumeyer, were elected to the offices of Secretary General and Treasurer General of the Society.

The sincerest appreciation and congratulations of the Alumni Association to the Student Council, the various hard-working committees, and the students of St. Joseph's, for their indispensable roles in the undoubted success of the 1947 Homecoming. Heartiest congratulations to Coach Scharf, his staff, and the iron-hearted Pumas who out-fought a tough Louisville team.

Paul S. Monastyrski
Alumni Secretary

Why Is Communism Wrong?

Everyone realizes that the great conflict in the world today is the opposing governmental philosophies of communism and democracy. As to the religious aspect, Communism preaches atheism, and would impose this doctrine on the Russian people; democracy does not dictate any religious dogma, it only safeguards our spiritual heritage. Any educated Christian can see the stupid fallacy of atheism. It is not our intention here to discuss this phase of communism.

The question is: Would you be able to converse intelligently with a fellow-traveller on the political and economic factors of communism?

Communism is wrong! Communism threatens our country! These remarks are constantly being pounded home in the American papers and magazines. Why is it wrong? Why does it threaten our country? Our government does not say the answers to these questions are mysteries. They can be learned by human reason.

It is our duty as American citizens to have a full understanding of these conflicting forces, both to be able to defend the democratic mode of government, and to be able to point out the numerous errors in the Communist teachings.

Proponents of Communism are very shrewd. On a train-trip this summer we met a man who definitely believed in Communism. To our group he said such things as "Communism is a friend of the down-trodden; Communism does not want to destroy Capitalism; The salaries of Red leaders are the same as the workers." Could you have refuted these falsehoods with factual rebuttals? At that time we could not. No one did. Some member of that group may have gone away with the idea that Communism may not be so terrible after all.

Learn the facts of Communism. If we do, in the inevitable discussions with persons tainted by Stalinism, we may be able to do much more than stand there with a vague look, and burst forth with some such idiotic remark as "Communism is wrong, everybody says so."

The librarian will be happy to furnish the necessary reading material. Monsignor Sheen's pamphlets are recommended.

It's Up to You

Why isn't this done? This would be a good alteration. The student council should take appropriate steps.

As the representative body for the students on the campus, the council is in a position to bring various suggestions before the faculty. To do this, it must know the sentiment of the individual student. The best way to acquire this knowledge is by men attending its meetings and bringing up their ideas on the floor.

The members of the student council are sincere in their purpose to better the conditions of the students. With this in mind, they instituted open meetings. Thus far there have been two such meetings. At the first, approximately 90 students were in attendance; the second showed a grand total of 25.

If you have no more interest in this group that can help you, then is is time to quit complaining.

STUFF

Catholics and Racism

There are approximately thirty Negro priests in the United States. A Negro child was refused her first communion by a Catholic pastor. The only Negro clergyman in the city of Milwaukee applied to twenty seminaries before finally being admitted to one. Recently a group of Catholics in St. Louis were so anti-Negro in their thoughts and proposed plans that the Archbishop threatened them with ex-communication. These are a few of the astounding facts mentioned in an address by the Reverend Claude H. Heithaus, S.J. on "Catholics and Racism," and in a panel discussion that followed Father Heithaus talk at the National Catholic Press Convention.

Bigoted and narrow-minded people of all walks of life refuse a Negro his rights under natural law, but when he is refused the right to receive God into his heart and to adore the Supreme Creator, the guilty person, priest, or layman, will be held accountable.

Gag Busters...

Tom Quinn is singing the praises of Bud Greif as a "fixer upper". It seems that Tom thoroughly enjoyed his prom date and is looking forward to the next dance, and Bud's aid? ? ?

Is Dr. Silk as seriously in love as he pretends to be, or is he merely showing the boys his Technique?

The "play" of the week was pulled by Al Cantieri. He forgot he had a date, and showed up eleven hours late—too late for the dance.

Maurie Angermeier disappointed one friend over the week end. It seems a certain Harris from Momence waited in vain for Maurie to make an appearance.

Harvey (Goose) Schneider said his companion at the game reminded him of women: obstinate. One wonders what kind of regalia the Goose and his crony, John Rice, will turn up with at the next game.

Don Ronan entered the hall of fame over the week end by beating little girls at ping-pong. One hotly contested battle was won by Don by a score of 21-19, along with the 5-point spot he required.

Part Two: It looks like Hariat has tightened the lariat around Tony Galvin's neck. (Part Three, next week).

Charley Gerst, the country club playboy, attempted the surprise imitation of the week end. Charley vowed that he was going to make a quick journey to Minnesota, and was last seen, Sunday morning, heading in the direction of Remington. He brings back memories of "Wrong-way Corrigan", except for the fact that Charles had three people in pursuit.

Ken Weibel was greatly disillusioned when he heard at Sunday dinner that some young lady had actually passed through the chow line without taking her ice cream with strawberries. "Just think," said Ken, "I almost traded my right arm for an extra dish, last Tuesday."

Ron Miniat spent most of the week end, hiding under a fedora. Could it be that he has found his own in the great sport of hide-and-seek?

Pat Purdy had all he could do to hold his own. It seems that he had to watch out for Bob Burns and two former students in the post dance ceremonies. What with flat tires and empty gas tanks all over the place, Bob and his boys are probably spiritual bouqueting it for "life saver" Pat.

Yours till the kitchen sinks.

Survey Finds Sentiment On Football Question

St. Joseph's football team had an undefeated season in 1941 and 1942. This year it is different. The object of this survey was to take the pulse of student opinion. This survey was taken before the Louisville game. Here are some of the views of residents of Drexel Hall, Gaspar Hall, and Science Dorm.

First question, "Do you think a winning football team is more important to a college than a good reputation as an educational institution?" Of 114 answers, 89 said "No," and 25 said "Yes". These are some of the varied comments. P. J. McLaughlin from Hammond has this to say. "A winning football team helps bring that educational institution to the public eye." Donald J. Quinn of E. Chicago says, "An educational institution and a good football team are not a menace to each other." "Education is the main reason for college, but it is not the reason for a poor team," remarked Ralph Marke from Des Plaines, Ill. James Freytag from Ft. Laramie, O. was outspoken. "This college was built for educational purposes; not football."

To the question "What one thing would you suggest to make student interest in their football team even greater?" there was a variety of replies, but almost all of them are contained in these three answers. "Have more home games," said Elmer Helmkamp from Delphos, O. Tom Ream mentioned that we should have more and cheaper student trips to the games. Jim Beatty wanted a "Winning ball team".

The next question was "Do you agree that it is all right for a young team to lose games, so

long as they make a good showing in defeat?" There were 102 replies; of these 76 said "Yes" and 26 said "No". John F. Laughlin from Gary said that "Defeats don't count whether they make a poor or good showing in defeat; why do you want to play the game just to make a good showing in defeat?" A Chicago man wisely states: "You don't win anything by losing games." But most all thought that as long as a team continued to make progress it would soon be winning games.

To be a fairly well qualified judge of a football squad, you must watch it in practice. The average number of times St. Joseph's students watch the team practice is 1.7 or twice a week. Of course just watching a team practice does not completely satisfy, and we agree with Tom Ream of Fort Wayne that "To be a qualified judge of a football team you must also watch them in games."

We were pleased to find the students so interested in the football team and the athletic department, and sincerely thank all those who contributed to this column. Particular thanks are due to Robert E. Braithwaite and P. J. Ryan who assisted in taking the survey.

ANNOUNCEMENTS

Six free trips to the Scandinavian countries in the summer of 1948 with all expenses paid will be first and second prizes for the best essays on "The Influence of Swedish Settlers on a Community or Region" in a contest sponsored by the Swedish American Line. Other awards include three trips to Swedish Pioneer Centennial Celebrations, planned in the midwest next summer, while nine awards will be in the form of U. S. Savings Bonds.

The contest is open to three groups, judged separately: 1. College undergraduates; 2. High school and preparatory school students; 3. Adults regardless of occupation. The contest closes April 1, 1948. Fourteen prominent educators and heads of colleges will serve as judges.

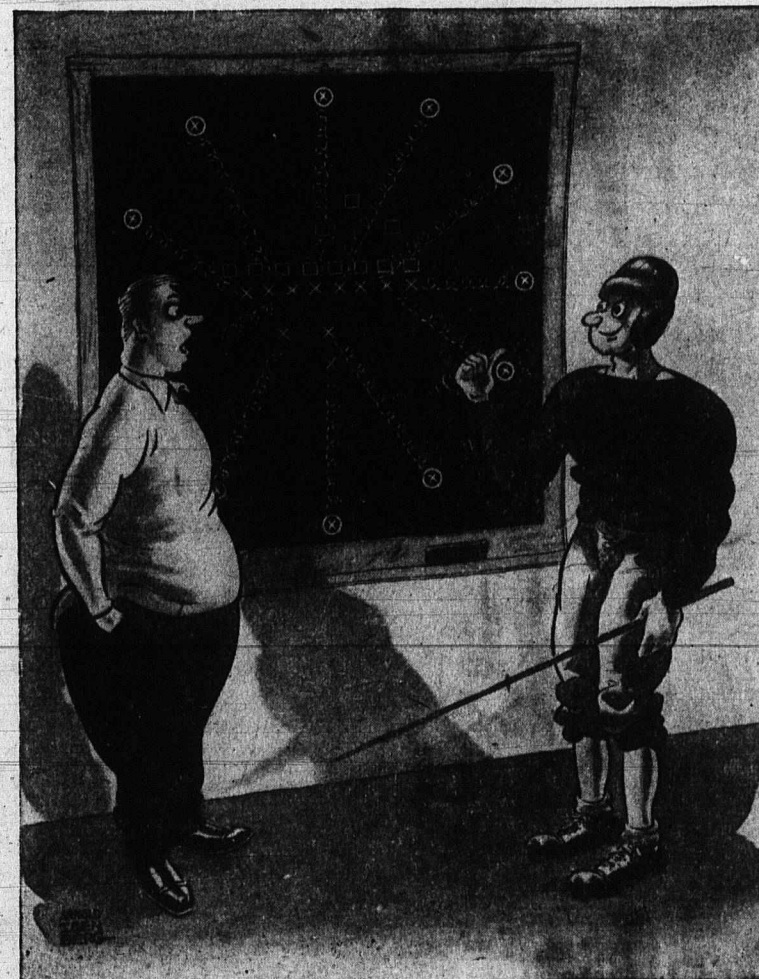

The essays, written in English, may concern a person, man or woman of Swedish birth or descent anywhere in the United

States or Canada. While the subject need not be a person of national prominence or of historical importance, it must be one who has exerted an influence on a community or region. The essay may also concern a colony, group, society, church, or organization, past or present.

All manuscripts, which may not exceed 2500 words, are to be mailed to Swedish American Line, 636 Fifth Avenue, New York 20, N. Y. Each manuscript must include three copies, typewritten and double-spaced.

Twenty-six new graduate fellowships, each of which will pay full tuition and \$750 a year for three years, are being offered to college seniors this year for the first time by the Pepsi-Cola Scholarship Board.

(Continued On Page Five)

"No, it doesn't mean anything, Coach. But it's sure to give the fans a laugh!"

UNDEFEATED LORAS TO MEET PUMAS

St. Joe Battles U. of Louisville To 7-7 Tie

The Pumas' of St. Joe proved to the U. of Louisville that tradition coupled with fighting spirit is hard to beat. In the Homecoming game, Sat. Nov. 1, the Cardinals were forced to come from behind to tie an underdog St. Joe team, 7-7.

Bob Ensner, leading Puma ground gainer, set the pace for the home team with an 82-yard touchdown gallop on the first St. Joe play from scrimmage. Hudson converted successfully to make the score 7-0.

The Cardinals countered with a 69-yard touchdown run by King, late in the first period. The score was knotted a minute later on Stu Gibson's placement.

The remainder of the game was kept on see-saw edge, with fumbles and interceptions stalling the attacks of both teams. Several golden opportunities of the Cardinals were thwarted by loose ball handling on attempted laterals.

A Cardinal fumble, plus two St. Joe first downs in the third quarter, enabled the Pumas to reach the visitors 23-yard line, but an intercepted pass snuffed out the possibility of a score.

St. Joe, by playing such inspired ball, managed thus to keep intact the record of never having lost a Homecoming game. Pundits must go to the St. Joe line for their sterling defense and to the outstanding play of Bud Greif who was Captain for this game.

Sycamores Win; Pumas Hold 6-0 Half-Time Lead

St. Joseph's Pumas, after outplaying the Indiana Sycamores in the first half, dropped a 26-6 decision to Coach Wally Mark's fast-moving Sycamore Eleven, in an Indiana Intercollegiate Conference game, at Terre Haute, Ind., last Saturday.

St. Joseph's lone tally came midway in the second period, when the Pumas advanced the ball to the State 25-yard stripe on a series of gains. They then pulled their ace out of their pocket by successfully completing a trick play on which guard Tom Tysall, Sophomore from Gary, scampered 25 yards untouched for the score. Bill Hudson's kick for extra point was wide, and St. Joe led at the half, 6-0.

The Sycamores, after being completely stalled during the first 30 minutes, when St. Joe outrushed State, 82 yards to 44, pushed across four tallies in the third and fourth quarters to crush any hope of victory the Scharfmen may have had, and at the same time frustrated all Puma offensive threats. This was shown very vividly: the Sycamores picked up 96 yards, while St. Joe was losing six.

During the second half, the Pumas were plagued by a host of penalties and fumbles deep in their own territory. They also had to contend with the running of Max Woolsey, All-Indiana Conference back last year, who sparked his team on numerous, sustained drives.

As the third quarter began, the Sycamores, coupling a series of short line gains and penalties against St. Joseph's, marched to the Puma five from where Faught completed a pass to Woolsey for State's first score. Chester's conversion was successful.

Early in the final quarter, Graves threw a 40-yard touchdown pass to Kunkel. The try for extra point failed. Indiana State had a 13-6 lead with approximately 12 minutes to play.

The Sycamores next tally was set up on a recovery of a bad pass from center on the Pumas 27. Woolsey again took one of Faught's passes to the one-yard line. Faught scored on a quarter-back sneak. The conversion attempt was wide. This made the score 19-6.

Indiana State scored their last touchdown shortly after Cliff Beaver, Puma halfback, fumbled on our seven yard line. This time the conversion was good.

The Sycamores led in first downs, 11-8, and in total yardage gained, 257 yards to 184. St. Joseph's attempted 17 aeriels and connected on six of these for a percentage of .353, while Indiana State attempted 15 and completed five for a percentage of .333.

New Midlands Conference To Make Official Debut

The Midlands Conference, a brand new inter-collegiate athletic conference, will make its debut during the 1947-48 basketball season. The conference, which had its inception on the campus of St. Joseph's, has five members and will conduct competition in football and basketball. Besides St. Joseph's the members of the new league are St. Ambrose College, Davenport, Ia., St. Benedict's College, Atchison, Kans., Loras College, Dubuque, Ia., and St. Norbert's College, West De Pere, Wis.

A questionnaire was sent out to various colleges in the Midwest last year, and on March 26, 1947, seven schools were represented at a meeting held in Chicago. The five schools mentioned above voted to enter the league.

As stated by the Rev. Edward Roof, St. Joseph's athletic director, the purpose of the conference is to promote, regulate, and supervise athletics, both intercollegiate and intramural, among the members of the conference. In order to be eligible for membership in the loop an institution must offer four years of college work leading to a Bachelor's degree, it must be a Catholic college, and besides football and basketball, it must participate in one major sport.

A basketball tournament will be sponsored by the league in 1948, at a place to be designated later. Invitations may be extended to non-conference schools, as well as to member institutions. An intramural basketball tourney will be sponsored by the Midlands Conference in 1948.

St. Joseph's has scheduled six conference games for the coming basketball campaign. Two with St. Norbert's, two games with St. Ambrose, and one each with Loras and St. Benedict's will round out their loop schedule.

The first league contest to be played in the St. Joe fieldhouse is scheduled for Dec. 16, with Loras College.

West Texas Quintet And DePaul Booked

Twenty-two games make up the long, hard road facing the St. Joe Puma cage squad for the 1947-48 season. Two "toughies" are as yet tentative, but are fairly certain to stand pat, according to the Rev. Edward Roof, St. Joseph's athletic director. West Texas and Indiana State have been scheduled for the fieldhouse and, if no changes are made, the Pumaville fans will be able to see both these outfits in action.

The Midlands Conference will make its opening appearance, as far as St. Joe is concerned, when the Puma cagers invade Atchison, Kans. on Dec. 1, for a game with St. Benedict. It will mark the first time that St. Joseph has participated in the newly-formed conference. St. Ambrose is the only conference game not as yet scheduled.

Dubuque Eleven Aiming For Ninth Straight Game

The Duhawks from Loras College, Dubuque, Ia. invade St. Joe for the annual Dad's Day game, Sunday, Nov. 16. This game will be the season finale for both teams. For St. Joe it will be a chance to dump another undefeated eleven by the wayside, and for the Duhawks, it will be a chance to reward Coach Wally Fromhart with an undefeated eleven in his initial season as head coach at Loras.

The Duhawks have rolled over eight opponents, numbering among their victims such powerhouses as St. Norbert's, St. Thomas', and St. Ambrose. The Pumas have been defeated by the Norbert and Ambrose machines, but are ready and willing to take the measure of the Duhawks. The Pumas have been on the up ever since they battled the powerful Louisville team to a 7-7 tie.

Coach Scharf has his chargers in good condition and is expecting another good game out of them. This being the final game of the season the boys will be out to climax a so-so season with a victory over the Duhawks and paint a rosy outlook for next season.

Coach Fromhart's charges have been averaging 22 points a game to less than four for their opponents. His line averages 188 pounds, and is backed by a veteran quartet that knows what to do with the pigskin. His players, however, are somewhat battered after a strenuous schedule, and the stage is set for the Pumas to come charging through and throw the Iowans for a loss.

Greeks Cop Grid Crown

West Seifert's Guey Gum Shoes made it possible for Jack Sullivan and his Peaceful Greeks to win the first round championship of St. Joseph's intramural football league, when they upset a good Drexel nine in the final game of the round, on Nov. 4, 14-8. Prior to this game the Senators had only a tie with the powerful Greeks to mar their record. Jimmy Dolan's two touchdown passes provided the margin of victory for the hard blocking Shoes. Jerry Leahy passed to Keller Riede for the Senator's lone score in the fourth period.

The Yo Yoes of Lower Noll and the Dungeoneers tied for fourth position, to round out the first division with the three teams mentioned above.

The tight play that featured the first round was furnished by such pigskin toters as Jack Sullivan and John Hruzik of the Greeks, Dolan and John Grande of the Shoes, Ed Resetar of the Senators, Ed Delehanty of the Rocks of East Seifert, Joe McGrath of the Yearlings, Ted Reise of the Gremlins, and many others who participated in first round games.

The standings at the end of the first round:

	W.	L.	T.
Greeks (Upper Noll)	6	0	1
Senators (Drexel)	5	1	1
G. G. Shoes (W. Seifert)	5	2	0
Yo Yoes (Lower Noll)	4	3	0
Dungeoneers (Science)	3	4	0
Rocks (E. Seifert)	2	5	0
Gremlins (Gaspar)	1	6	0
Yearlings (Admin.)	1	6	0

Bees Romp To 31-2 Win; 11,000 Watch

In a much closer game than the 31-2 score indicates, St. Joseph's gridgers were toppled by St. Ambrose on Oct. 26 in the feature attraction of the Bee's homecoming week end. A crowd of 11,000 which sat through a constant drizzle, were treated to a contest abounding in thrills, good runs, and outstanding pass catches.

St. Joe drew their first and only blood midway in the opening period, when an Ambrose punter was hit and grounded in the end zone. A bad break early in the second quarter prevented the Pumas from adding a possible seven points to their lead and possibly earning a victory. End Don Quinn took a Tom Quinn aerial, was in the clear six yards from pay dirt, when he lost his footing and fell to the ground. The threat ended a few moments later when the Bees recovered a Puma fumble on the 36.

From their own 36 they alternately passed and ran the ball to the St. Joe 38, where they punted out of bounds on the Puma one-yard line. Broderick's poor punt carried to the 18-yard line from which point the Bees drove to their score, halfback Joe Molnar carrying over. It took exactly eight plays for the Davenport eleven in the third quarter. Jack Finigan crashed over from the one. For the second time the kick for the extra point was no good.

Up until the opening of the fourth quarter the game was a very good one. In the last period, however, the already weary St. Joe linemen were battered for 19 additional points by the burly Ambrose backs. Quarterback Black passed to end Errion from the Puma five for the third score. The kick was no good.

The next time the Bees got the ball it was deep in their own territory. On the fourth down they worked the ancient Statue of Liberty play, Mooney dashing 79 yards to the Collegeville one-yard line. He scored on the next play. For the first time in the afternoon, the conversion was good.

Immediately after the ensuing kickoff, the very same Mooney intercepted a St. Joe pass and sprinted 50 yards for the final Ambrose touchdown. Final score; St. Ambrose (31) St. Joseph's (2)

"B's" Win Two Relic of Campus, Biology Major To Be Graduated

CLIFF BEAVER

Ron Miniatt and Tony Phillips combined to give the St. Joe "B" squad a 12-0 victory over Valparaiso University's second team, Oct. 29, on the Rensselaer athletic field. It was the Puma's second victory in two games with the Crusaders.

Both St. Joe scores came in the second period, the first after Cliff Beaver had returned a Valpo punt to the 20-yard marker. John Fedorik then pitched to Miniatt for the touchdown. Near the end of the quarter halfback Phillips broke loose and raced 79 yards to pay dirt. Both attempts at conversion failed.

In the first encounter at Valparaiso, the Collegeville team walked away with the battle of statistics, but had to be content with a slim 7-6 edge, due to numerous fumbles and pass interceptions. Cliff Beaver and Bill Hudson, both from Rensselaer, collaborated in bringing the Pumas the victory. Beaver, who picked up 146 yards in 19 attempts for an average of 7.7 yards per carry, crossed the goal line from 18 yards out, and Hudson added the deciding point. Valpo's tally came when fullback Canfield grabbed a wild St. Joe pass at midfield and dashed into the end zone. The try for the extra point was no good.

Delegates At Press Convention

To fight a war of minds with the atheistic forces in the World requires a muscular fitness of the mind coupled with educational equipment. This statement signifies the dominant theme in a dynamic address delivered by Mr. Frank Sheed at the National Catholic School Press Association convention in Milwaukee, Wis., Nov. 2. Mr. Sheed, author, lecturer, and founder of the publishing house of Sheed and Ward was but one of the outstanding speakers at the three day conclave held at Marquette High School.

Among other timely and interesting talks were "What is Catholic Literature?" by the Rev. Harold C. Gardiner, S. J., Literary Editor of America, and "Publicizing Christian Ideals" by Mrs. Anna M. Brady, director, American Center of Information, Pro Deo. Numerous sectional meetings were held to acquaint the members of student publications with the technical and literary aspects of the school paper.

Attending the convention as delegates were the Rev. Charles Davitt, faculty advisor of Stuff, Joe Collier, editor, Bill Fox, sports editor, and Tom Brell, advertising manager. Approximately two thousand delegates from high schools and colleges throughout the country were present.

Representing Ursuline College of Louisville, Ky., was professor Jack Ford, former editor of Stuff, who is also on the editorial staff of the Louisville Record. Another former editor of the school paper, Mr. Vincent Giese, acted as chairman of an address given by Mr. James Supple, religious editor of the Chicago Sun. Vince is completing his work for an M. A. from Marquette University, while taking graduate courses in political science at Notre Dame University.

In the course of the year a brief history of each senior will appear in STUFF. It is fitting that we start these sketches with Paul Banet, not because he is a relic of the campus, not because he is one of the intelligentia, but because he is first in alphabetical order.

Student, salesman, soldier, and we would add, lover, but for the fact it would break the alliteration. On June 30, 1921 Paul was born in the city of Ft. Wayne, Ind. His young years were shaped at St. Paul school in the same metropolis. From there he moved into the religious life of the seminary at Brunnerdale in Canton, O. His fourth year of high school was spent here at the academy and here he graduated in '38.

Paul also spent his freshman year here at the college, but transferred to Purdue Extension in '40, where he spent a year in night school. Then a year posing as a super salesman for General Electric rounded out his education as a civilian for a time.

Paul was tackled by the local draft board and was hustled off to the army in '42. But his great mind was not permitted to rust away, so he moved to Princeton where he underwent the A.S.T.P. program for three semesters. But Private P. B. just had to get into the scrap, so before long he was sloughing through the mud as an infantryman.

Soon he was across the pond and speeding across the continent, but the battle of the Bulge finally stopped our hero. There he was wounded and captured by the Germans. After seven months rest with the compliments of the Nazis he was recaptured by the Russians, but alas, after two weeks he was released by them to active work with the good ol' infantry.

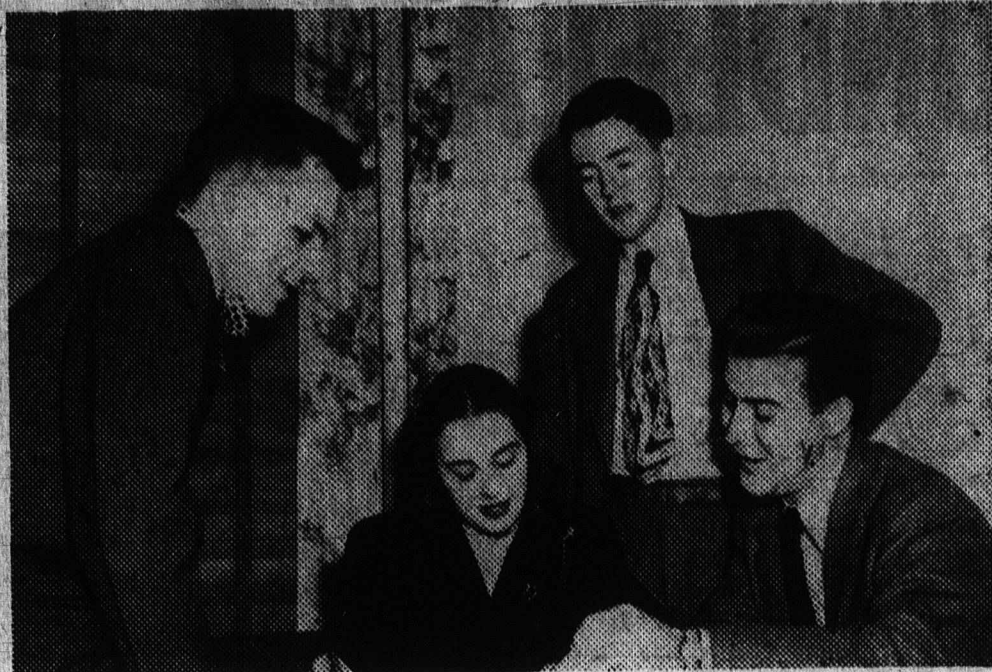

In October '45 veteran Paul came back to the states, where he was hospitalized for jaundice, and was discharged soon after. Many a story has Paul to relate of his army experience, but perhaps his happiest evening was spent with the Russians.

It seems the Russians were throwing a party and doughfoot Banet found himself invited. Toast after toast was drunk to Churchill, Roosevelt, and Stalin, and though Paul was not used to this heavy drinking, it was either the vodka or a bullet, so Paul wisely chose the apricot wine. His toasted tonsils cried out for mercy, but no quarter was granted. To top things off he was forced to dance a Russian jig to a Strauss Waltz, with his own jitterbug style. It was a rough war.

But after the hectic days of army life were over, he again wished "for solitude, concentrated education, and a haven from women," so student Paul returned to St. Joe in September '46. So now we find Paul residing in 221, Drexel Hall, seeking the knowledge of Biology. Birds he loves and many are the times his picture has appeared in the papers along with that of Father Baeche. Paul holds the bird while Father Baeche takes the bird's picture.

On the campus Paul has kept himself active in other ways as a member of the various clubs: the Raleigh Club, the Albertus Magnus Society, the Curtain Club, and the Sanguinist Club carry him on their rosters. After a span of ten years, from '38 to '48 Paul feels that he still isn't finished as a scholar. From here he plans to go to medical school, but as yet he has no definite preference of schools. Just a school where he can get in.

The rest of his future is uncertain. Perhaps, he will marry, but at the present he has a more weighty problem on his mind. How can he go steady with two girls at one time? The one girl has a car and the other girl has the cash.

Planning drive against "bad taste" in radio at Chicago meeting. l. to r., Philip DeMarais, Washington, D. C., National Chairman of the Joint Committee for Student Action; Ruth Maier, Milwaukee, Wis., and James Dougherty, Philadelphia, Pa., 3rd Vice President and National President of the National Federation of Catholic College Students; and John W. Lynch, Jr., Hammond, Ind., sophomore at St. Joseph's, Collegeville, National Chairman of the Radio Acceptance Poll.

Council Meets in Open Session; Students Watch Group Operate

On Wednesday, October 29, a new policy was instituted for the student body when an open meeting of the student council was held in the auditorium. Attended by a representative, but not a large crowd, the students sat in on the meeting as a non-partisan group. They were shown how the council operates and what action the council has taken and intends to take in campus activities and policies.

The meeting was opened with a prayer by Father Marziarz, after which James Buckley, presiding officer, introduced the various officers of the student council to the student body represented.

The various speakers and the topics about which they spoke were: William McCaslin—Report on school spirit; Clarence Burwell—Report on the Radio Acceptance Poll; Eugene Ryan—Unnecessary Gripes on the Campus, and Joseph McGrath—Report on the athletic set-up of the fieldhouse.

A letter which the council had sent to the Rev. Edwin Kaiser, head of the athletic board, was read aloud by James Buckley.

The Rev. Father Boniface Dreiling appeared as a guest speaker. He talked, in general, about the athletic program in the light of gripes which have emanated from the campus. He emphasized the fact that his talk was not an official statement in the name of the Committee on Athletics, but bore home the fact that he spoke unofficially as a member of the athletic board.

President Buckley asked for more participation on the part of the student body in relation to these meetings. It is urgently hoped all students will attend the next meeting.

Four Faculty Men Present at Meetings

Four St. Joseph's College faculty members attended meetings in Indianapolis and Franklin, last week.

The Very Rev. Henry A. Lucks, C.P.P.S., president, and the Rev. Walter Pax, C.P.P.S., dean, were present at a meeting of the Indiana association of Church-Related and Independent Colleges. Later they attended a meeting of the Indiana Conference of Higher Education.

At Franklin College as members of the Association of Indiana College Registrars were the Rev. C. G. Kern, C.P.P.S., registrar at St. Joseph's, and James Bogan, assistant registrar. In a panel discussion, Father Kern spoke on "Evaluation of Transcripts for Foreign Students."

Biology Instructor Elected Secretary; Will Prepare Bulletin

On November 1st, the Rev. J. W. Baeche, assistant professor of biology, was elected secretary of the Inland Bird Banding Association, at a meeting held at the University of Michigan. It is the duty of the secretary to prepare an eight-page mimeographed bulletin on bird banding news, every two months. The association includes members from 19 states and three provinces of Canada.

At the present time Father Baeche has on display at the University of Michigan a set of bird pictures he himself compiled. Included among these are 81 black and white pictures, and six colored ones. These pictures are to be displayed for two weeks. After this they will be sent to the Chicago Natural Historic Museum, where they will be on display for one month. In addition to these pictures Father will also send between 25 and 50 insect and nature pictures.

On the first Sunday in December, The Chicago Tribune is to publish a partial display of the pictures, either in the graphic or roto-gravure section of the paper.

ANNOUNCEMENTS (CONTINUED)

Any college student who will receive a bachelor's degree during the school year 1947-48 from a college or university in the United States may apply for one of the new fellowships. The fellowships are limited to those with financial need. They may be used at any accredited graduate or professional school in the United States or Canada, and in any field of study which will lead to an M. A., Ph. D., M. D., or other advanced professional degree.

Fellowship holders must enter graduate schools no later than the fall of 1948 and they must pursue a continuous and normal program of work. Winners will be selected on the basis of their promise of outstanding achievement in later life as evidenced by their undergraduate records and recommendations as to character, personality, and qualities of leadership. Application blanks may be procured at the office of the Director of Student Welfare.

One in every five World War II veterans holding National Service life Insurance policies has converted to one or more of the half-dozen available permanent plans.

NSLI term policies issued before January 1, 1946 may be continued for eight years from the effective date at the original rates, while such insurance issued after that date may be continued for five years on a term basis.

Term policies do not accrue cash, loan, paid-up or extended insurance value. They may be converted at any time before the expiration of the term period to any of the six permanent plans available.

Science Group Hears J. Weis

At the regular meeting of the Albertus Magnus society, Nov. 5, John Weis of Liberty Center, Ohio delivered a talk on "Evaluation of the Elementary Electrical Charge."

A design for keys to be given to graduating members was discussed. On the feast of their patron saint, Nov. 15, the club is to attend Mass and receive Holy Communion.

Under the moderatorship of the Rev. Albert Wuest, the society is composed of science majors. To become eligible for membership, a man must carry a "C" in his major subject and have an index of 1.5.

Paul Banet, biology major, of Fort Wayne, Ind., will speak on "The Liver, Its Structure, Functions, and Diseases," at the next meeting.

Jim Zimmerman To Lead Actors

The 1947-48 activities of the Curtain Club were resumed on Sept. 28, with election of officers the main item on the agenda. Elected to the presidency was James Zimmerman of Detroit, Mich. The vice-president is William Grevenkamp of Fort Recovery, O., Donald Isenbarger of New Haven, Ind. is the secretary, and James Froelich of Defiance, O. was elected the critic. Jerome Zogran of Homestead, Pa., Harold Pluth of Hebron, N. Dak., and Louis DeBrosse of Piqua, O. constitute the program committee.

The club's initial presentation on November 8 was Lucifer at Large, a one-act fantasy by Frank P. Ford, and under the direction of John Dueweke of Center Line, Mich. Having roles in this play were:

You.....Alfred Kovac
Devil.....Albert A. Reed
Superbe.....Richard Brennan
Fats.....William Miller
Time.....Michael Lizza

The club has formed two sub-groups; the Play Writers' and the Play Directors' Clubs. It is hoped that these activities will not only create greater interest in these literary fields, but also develop Catholic producers and Catholic writers.

Two Glee Clubs In Christmas Cantata

Under the direction of Mr. Daniel Connor, assistant music professor, the melody-minded men of St. Joseph's College Glee Club have begun intensive practices in preparation for the Christmas Cantata which they are to present in collaboration with the choral group of St. Francis' College, Joliet, Ill., in mid-December.

Until the date of presentation draws nearer, the two units will practice individually, and only later will they combine the fruits of their separate efforts at two joint sessions.

Following the last practice, the girls of St. Francis will entertain the choristers of St. Joseph's at a tea dance. The Wednesday after the performance at Joliet, the girls have been invited to return to St. Joseph's and to participate in our annual Christmas musicale.

The solo parts of the respective colleges have not been announced.

Harber Heads Many Projects Balloting Group Finished During Of RAP Voting Summer Season

A campus balloting committee was recently formed to handle RAP voting on this campus. Kenneth Harber, Junior Delegate of NFCCS, is chairman of the committee. Other committeemen are: Robert Alter, Gaspar Hall; Robert Wing, E. Seifert Hall; John Hrusik, W. Seifert Hall; Victor Toeppe, Noll Hall; Robert Richards, Science Dorm; Arthur O'Malley, Drexel Hall.

These seven men have been doing a fine job and have kept St. Joe's in the lead in the number of ballots cast thus far in the campaign against bad taste in radio, carried on by the RAP.

During the first week of balloting the students of colleges and universities throughout the country picked Jimmy Durante as tops among radio programs. His program was the only one of the seventeen programs being judged that was voted HIGHLY ACCEPTABLE. The Baby Snooks program was second, Burns and Allen third, and Fibber McGee and Molly were fourth. The Bob Hope Show was the only one of the programs to receive the classification of BARELY ACCEPTABLE. None of the shows was classified as UNACCEPTABLE or OFFENSIVE.

The ballots coming into the tabulation room at the RAP headquarters have more than doubled each week since the voting began. More colleges, Catholic and non-Catholic alike, are joining the RAP every week. At the present time 131 schools are active in the balloting. The RAP is off to a good start. Let everybody help it along by contacting the representative of RAP in his hall and cast a vote.

Freeman Chosen Yearbook Editor

Primary plans were discussed for this year's annual at a meeting of the senior class, Oct. 27, called by the Rev. Charles Davitt, faculty advisor.

The Indianapolis Engraving Company will once more do the lay-out work and engraving. The printing has been assigned to the Benton Review Publishing Company of Fowler, Ind. Gullion's Studio is doing the photography work.

Warren Freeman of Indianapolis, Ind. was appointed Editor-in-Chief. Other staff appointments were:

Ass't Editor.....John McKenna
Ass't Editor.....John Cangany
Sports Editor.....Fabian Brusok
Ass't Sports Editor.....William Fox
Business Manager.....
.....Edward Bugajski
Advertising Manager.....
.....Robert Reilly
Ass't Advertising Manager.....
.....Francis Herber
Patron Manager.....David Terveer
Ass't Patron Manager.....
.....James Buckley

Fifteen separate projects of building, remodeling and redecorating were completed on the campus during the summer, and three additional jobs are continuing into the fall semester.

Raleigh Hall, now a student recreation center located southwest of the fieldhouse, was erected by the Federal Works Agency. Outstanding features are a large dual fireplace and a new soda fountain. The building and its facilities are in charge of James Puett, of Remington, who is also football line coach.

Living quarters for the Sisters, 20 of whom work in the laundry and kitchen, have been remodeled and enlarged. A new four-room apartment for the dietician was built on the second floor of the food storage building, with a picture-window overlooking the fields and woods, south of the campus.

Large dormitory and study rooms in Noll Hall have been partitioned into private student rooms. Private rooms for students were also arranged in the basement of the administration building, and Gaspar Hall, another student residence, was remodeled throughout.

The college book store is now located in the basement of Gaspar Hall, in quarters formerly occupied by the J Cafe.

All three basketball floors in the fieldhouse were sanded and refinished. A new football field for the students of Xavier Hall is in operation, south of the chapel.

Administration building offices were redecorated, and the cafeteria was made more attractive through paint and hanging of drapes.

A new road has been laid between Science Hall and the fieldhouse, conforming with the college's long-range landscaping program. The low area just west of the fieldhouse has been tiled, reclaiming unsightly land.

A picnic ground for the year-round College population was developed near the gravel pit, southwest of the main campus.

Laying of new approaches to the library practically completes the work begun more than a year ago. Items of equipment continue to arrive as available. St. Joseph's can now boast of one of the finest college libraries in the state.

Top construction project now in progress is the new war surplus building being erected by the Federal Works Agency. It will serve as a warehouse.

The new post office has been functioning for the past four weeks, and completes the extensive remodeling of what had been an abandoned boiler plant.

An experimental laboratory will soon be completed for the Rev. Urban Siegrist, assistant professor of biology, and director of research being carried on in conjunction with the Institutum Divi Thomae, Cincinnati. Father Siegrist is conducting experiments in farm bacteria.

Welfare Director Announces Club Officers

The results of class and club elections is announced by the office of the Director of Student Welfare:

Student Council: James Buckley, pres.; Eugene Ryan, vice-pres.; James Dolan, sec.; John Fredlake, treas.

Senior Class: John McKenna, pres.; John Cangany, vice pres.; John Haley, sec.; Roy Czarnecki, treas.

Junior Class: James Dolan, pres.; David Terveer, vice pres.; Robert Horky, sec.-treas.

Sophomore Class: John Fredlake, pres.; Frank Fehrenbacher,

vice pres.; Anthony Lambo, sec.-treas.

Freshman Class: Joseph McGrath, pres.; Gerald Garren, vice pres.; Oral Burton, sec.-treas.

Veterans Club: John Guckien, pres.; Thomas McGrath, vice-pres.; James Wenzel, sec.; Roy Czarnecki, treas.

Monogram Club: James Buckley pres.; John Lucas, sec.; Robert Ensner, treas.

Albertus Magnus Society: William Jackson, pres.; John Weis, sec.; John Bican, treas.

Commerce Club: Eugene Ryan, pres.; John Smith, vice pres.;

Charles Voors, sec.; Robert Simonis, treas.

Columbian Players: Charles Burkart, pres.; Donald Horst, vice pres.; William Ciminelli, sec.-treas.; Bernard Whaley, critic; Clarence Burwell, John Bican, John Laughlin, program committee.

Dwenger Mission Unit: Donald Vogl, pres.; Joseph Martin, vice pres.; Frederick Lang, treas.; Harold Pluth, sec.; James McKay, librarian.

Sanguinist Club: Benedict Danko, Bernard Ingersoll, Edward Koval, cell leaders.
